Good accountants add up to good business

Part of Laureate International Universities
The Association of Chartered Certified Accountants (ACCA) is the world’s largest global accountancy body, entrusted to uphold and maintain the standards of the global accountancy profession. Recognised in 170 countries, the ACCA professional qualifications have become an international benchmark of accounting excellence. Holders of this highly esteemed qualification are well prepared to meet and exceed the needs of the world’s ever-evolving financial, business and corporate arenas.

ACCA in INTI is structured to present you adequate time for sufficient revision and exercises. This emphasis is aimed at enhancing your thorough grasp of the syllabus. You will be taught by hand-picked experts – lecturers who are or were practising professionals with exclusive insights from years of work experience.

INTI has been awarded the ACCA Gold Status – a testimony of our quality of education in accountancy. Our ACCA course is also fully accredited by the Malaysian Qualifications Agency (MQA) and the Ministry of Higher Education (MOHE). To further support the success of outstanding graduates, our partnership with 10 big firms ensures opportunities of the best kind.
