STRENGTHEN YOUR CAREER SUCCESS

You will be surprised by the number of people who need your expert touch: athletes with sports injuries, community members who have undergone surgery and are recovering, and many others. As a physiotherapist, you will help many to improve or regain their health, mobility and quality of life. Nothing should stand between you and your passion. At INTI, you can focus on things that matter to you, preparing them for the demands of their future.

The BSc (HONS) PHYSIOTHERAPY prepares you for an exciting career.

In the BSc (HONS) PHYSIOTHERAPY, you will

• Develop and maintain expertise in a wide range of clinical skills and modalities, as well as knowledge and understanding of the latest research and trends in the field of physiotherapy.
• Acquire your own set of skills, provide patient-centered, evidence-based care, and develop the ability to think critically and independently.
• Further enhance your critical and analytical thinking, prepare to embrace ethical and professional standards.

You will learn how to

• Treat and prevent functional disorders
• Care for patients with diverse needs and conditions
• Improve your communication skills and interpersonal interactions

The BSc (HONS) PHYSIOTHERAPY will

• Cater to your individual needs and interests
• Foster your personal and professional growth
