DIPLOMA IN FASHION DESIGN

The Diploma in Fashion Design programme enables students to conceptualise and produce fashion designs of recognised international standards that meet the changing needs of the global textile and apparel trade.

This programme emphasises innovation and creativity in Fashion Design while providing students with the technical know-how for a successful career in the fashion industry. It will also help students nurture specific skills related to sewing, pattern drafting, fashion illustration, fashion styling, design and garment construction.

In addition, students are exposed to real-life projects, fashion shows, enriching field trips to showrooms and rigorous internships to ensure industry-readiness.

Career opportunities
Graduates will be able to take on positions as contemporary and creative fashion designers, working as strategic team members, leaders, and independent designers, or in many of the specialised areas within the fashion industry, including:
- Fashion / Brand Manager
- Fashion Designer
- Fashion Event Coordinator
- Fashion Merchandiser / Buyer
