**The Laureate English Programme** has been created to equip our graduates to help them meet the challenges of the new economy. Strong English competency is an important pre-requisite for any graduates seeking employment in the global community, to reach higher levels of success in the workplace and to enjoy increased career mobility as they take up positions abroad.

The Laureate English Programme will ensure that our students reach the international standard for English proficiency.

**Strong Partnerships**
Laureate International Universities, Cambridge University Press, Cambridge ESOL and the Bell Educational Trust are partners on an English programme aimed at providing a unique learning experience for Laureate students and raising the bar in terms of successful English language teaching and learning.

**Internationally Recognised Programme with Externally Validated Outcomes**

The Laureate English Programme is designed to ensure an outcome-driven learning experience and to encourage student autonomy.

By the end of the programme, students will be able to communicate effectively and be well-equipped with the requisite language competencies for their higher education and beyond.

**Proven Track Record**

Studies have shown that Laureate English Programme students from Universidad Del Valle De Mexico (UVM) in Mexico and Biliĝ University in Istanbul, Turkey were more engaged in their English language studies than they had been with traditional materials.

Students reported that they found the new content to be more interesting and interactive and were enthusiastic about their online experience.

**The Touchstone Online Course**

The learning content of the Laureate English Improvement Programme is developed jointly with the Cambridge University Press. The Touchstone course offers the first truly blended learning solution for English language learning.
