This programme is designed for students who wish to have a comprehensive understanding in accounting while equipping themselves with business management skills. Suitable for candidates who wish to be entrepreneurs that want a solid understanding of managing their own accounts.

### Highlights
- Students will be able to obtain exemptions from professional bodies such as the Association of Chartered Certified Accountants (ACCA), Chartered Institute of Management Accountants (CIMA) and Chartered Public Accountant (CPA).
- A comprehensive learning experience with a mix of face-to-face and online learning through Blackboard, with access to course materials and assignments.
- Students will be able to access UH Learning Resources, via UH Study Net, UH Library and HBS Centre for Academic Skills Enhancement.
- Exposure to real industry projects and practical learning experience via international faculty, overseas guest lecturers and live lecture conferencing.
- Opportunity for students to participate in the Semester Abroad Programme (SAP) and experience different cultures and environments, helping them expand their global perspectives.
