

Professional Development Programme

COSTUME MAKING

Immerse yourself in the world of stage production costume design with this hands-on course. Conducted by renowned costume designer Beatrice Looi, participants will explore the artistry and practicality behind crafting costumes that not only enhance storytelling but also endure the rigors of live performances.

Using a local theatre production as inspiration, participants will focus on creating the iconic "cloud collar", a traditional adornment worn by Peranakan brides.

Beatrice Looi
Couturier & Costume Designer
