

DIPLOMA IN FINANCE

Students will be equipped with a solid foundation in finance, allowing them to fulfill the demands of their job, progress in their careers as well as plan their personal finances.

This programme is geared for students who wish to progress into degree programmes in Finance, Banking and Business. Students will be expected to develop analytical and “applicable” skills so that they can swiftly transfer knowledge and competencies from their respective specialisation into the workplace context. This programme provides an excellent all-round business education and is best suited for those intending to gain a good understanding of all areas of business, specifically banking and finance.

Career opportunities

Financial Planning & Services, Trade Services, Banking Services, Stock & Investment Markets, Personal Financial Planning Services, Entrepreneurs, and more
